SGPA (Semester Grade Point Average) measures a student's performance in a single semester.

CGPA (Cumulative Grade Point Average) represents the overall performance across all completed semesters, taking into account the grades and credits earned by students in all courses of the degree program.

The CGPA indicates the overall performance of the student on a 10-point scale.

The conversion formula for CGPA to percentage is:

The percentage equivalent of CGPA = CGPA * 10

For example, CGPA of 9.18 is considered equivalent to 91.80%
