CIRCULAR

Sub: Closure of AQAR in NAAC Portal – Notification by NAAC – Reg.

Dear Deans/Principals/IQAC Coordinators,

NAAC has recently closed the **AQAR (Annual Quality Assurance Report) submission portal**. The key points are as follows:

1. With the introduction of the **Binary Accreditation Framework (BAF)** and the **Maturity Based Graded Level (MBGL)** under the ongoing reforms, NAAC is planning to devise alternative mechanisms (either developed by NAAC or through platforms like One Nation One Data (ONOD) for capturing the progress of Higher Education Institutions (HEIs) during their accreditation period.
2. **Until such mechanisms are operational, institutions are not required to submit AQARs in the NAAC portal as it is already closed.**
3. **Non-submission of AQAR will not affect eligibility for BAF or MBGL.**
4. However, all HEIs have to continue their efforts towards **continuous quality improvement measures** and systematically document the same through their **IQAC records** for future reference.

In view of this notification, Constituent Colleges shall not be required to submit **AQAR: 2024-25** in the NAAC portal from the academic year 2025-26. Nevertheless, all constituent colleges and departments are directed to:

- Continue implementing quality assurance initiatives.
- Maintain proper records of activities, data, and reports through IQAC for internal and external quality audits.
