

Preamble

The Ph.D. program at Malla Reddy Vishwavidyapeeth (MRV) is committed to academic excellence, multidisciplinary research, and societal impact. In line with UGC's 2022 regulations, it ensures rigorous, merit-based admissions and upholds the highest standards of integrity and transparency. MRV provides a vibrant research environment to nurture innovation, knowledge creation, and human development.

Mission

MRV aims to impart value-based higher education, foster globally competent youth, and promote innovation, entrepreneurship, research, and development for societal benefit. Specifically, the university aims to develop ethical and responsible global citizens through quality education and a focus on practical skills.

Vision

To be a globally recognized hub for advanced research and innovation, dedicated to nurturing ethically driven, forward-thinking scholars who contribute to knowledge creation, societal well-being, and improving human life.

Objectives

- Foster advanced research to improve human life quality.
- Promote value-based, futuristic higher education.
- Develop globally competent, ethically responsible scholars.
- Encourage innovation, entrepreneurship, and R&D.
- Support interdisciplinary and impactful research.
- Uphold excellence in learning and knowledge creation.
- Maintain high ethical and academic standards.
