Our teaching staff consists of many renowned professionals from all over India.

Dear Colleagues,

We are very much pleased to invite you to CPD on "Advances In Cervical Cancer Screening: Hands on Training In Liquid-Based Cytology (LBC) & Colposcopy", to enhance early cancer detection. This workshop is designed for healthcare professionals(Pathologists& Gynecologists) aiming to upgrade their knowledge and skills in cervical cancer screening and diagnosis. Learn from renowned specialists in cytopathology, gynecology, oncology who will share their expertise in early cancer detection and best practices in screening methods. Understand the principles and benefits of Liquid-Based Cytology (LBC) & role of colposcopy in diagnosing precancerous and cancerous lesions which enhance clinical decision-making through case-based discussions, expert insights, Hands-on experience with LBC sample preparation and colposcopic examination techniques.
