Workshop on

Harnessing AI Ethically for Systematic Literature Reviews

26th April, 2025

ELIGIBLE FOR TGMC 2 CREDIT POINTS

Dr. Sowmiya Rani

Editor, Editage (Cactus Communications) Founder, Editor & Reviewer at Sowmis_AWW

Time : 09:00 AM to 04:00 PM

Venue : Ground Floor, Pavlov Lecture Hall, Malla Reddy Institute of Medical Sciences, MRV Suraram'x' Road, Jeedimetla, Hyderabad

Scope and Outcomes of Workshop :

Scope :

This workshop aims to provide participants with an overview of systematic literature reviews (SLRs)- their significance, methodology and best practices. Participants will also explore Artificial Intelligence (AI) tools that can assist in conducting SLRs while ensuring ethical and responsible use. The sessions will cover the fundamentals of SLRs, AI-powered tools for literature analysis, and hands-on training on selected AI applications. Participants will gain insights into AI-driven automation techniques, best practices, and ethical considerations in research.

Outcomes :

By the end of this workshop, participants will be able to:

1. **Comprehend the Fundamentals of Systematic Reviews:**
   a. Understand the requirements before starting an SR.
   b. Learn the structure and components of an SR article.
   c. Explore AI tools that can assist in SR and research writing.
2. **Understand How to Identify Research Gaps:**
   a. Conduct a comprehensive literature review to uncover unexplored areas and inconsistencies in current research.
   b. Stay informed about current challenges, trends, and future directions in medical research to identify potential gaps.
3. **Master the Do's and Don'ts of Research Writing:**
   a. Understand proper citation practices and reference management.
   b. Adhere to ethical guidelines in research writing, including plagiarism and copyrights.
   c. Ensure clarity and accuracy in language, figures, and tables for better readability and presentation.
   d. Avoid data manipulation or duplication.
4. **Understand plagiarism and ways to avoid it.**
   a. Recognize different forms of plagiarism and implement strategies to maintain academic integrity.

By focusing on these key aspects, this workshop will empower participants to enhance their research skills and write compelling research articles.
