

FELLOWSHIP IN AESTHETIC GYNAECOLOGY

ABOUT THE UNIVERSITY

Malla Reddy Vishwavidyapeeth is a reputed educational institution located in Hyderabad, Telangana, India. Recognized as a “Deemed to be University under Distinct (Existing) Category,” the university offers multidisciplinary programs across medical, dental, nursing, pharmaceutical sciences, and allied health sciences. The institution emphasizes academic excellence, clinical expertise, innovation, and global collaboration in advancing healthcare education.

PROGRAM OVERVIEW

The Fellowship in Aesthetic Gynaecology is a specialized clinical program designed to develop expertise in cosmetic and functional procedures related to female reproductive health.

The program focuses on:

- Principles of aesthetic gynecology
- Non-surgical and minimally invasive procedures
- Vaginal rejuvenation and tightening techniques
- Laser and energy-based treatments
- Management of sexual dysfunction and pelvic floor disorders
- Cosmetic procedures for external genitalia

The program integrates **theoretical knowledge, clinical training, and hands-on exposure**, ensuring competency in aesthetic gynecological practice.

(Deemed to be University)

PROGRAM EDUCATIONAL OBJECTIVES (PEOS)

-

PROGRAM DETAILS

- **Certificate Awarded by:** Malla Reddy Vishwavidyapeeth
 - **Program Duration:** One-Year Fellowship
 - **Mode of Delivery:** Clinical Training + Hands-on Practice + Theoretical Learning
-

ELIGIBILITY CRITERIA

- **Academic Qualification:** MBBS / MS (OBGY) / DNB (OBGY) or related specialties
 - **Professional Requirement:** As per institutional guidelines
-

KEY FEATURES

- Specialized training in aesthetic and functional gynecology
- Hands-on exposure to laser and minimally invasive procedures
- Focus on vaginal rejuvenation and cosmetic treatments
- Training in energy-based technologies and devices

- Integration of clinical and cosmetic gynecology
 - Emphasis on patient safety, ethics, and satisfaction
 - Industry-relevant, skill-based training
-

LEARNING OUTCOMES

KNOWLEDGE & UNDERSTANDING

- Comprehensive understanding of aesthetic gynecology and procedures.
-

COGNITIVE SKILLS

- Clinical decision-making in cosmetic and functional treatments.
-

PRACTICAL & PROFESSIONAL SKILLS

- Proficiency in aesthetic procedures and advanced techniques.
 - Hands-on experience in clinical settings.
-

TRANSFERABLE SKILLS

- Patient communication and counseling skills.
 - Ethical and professional clinical practice.
-

SUBJECT-SPECIFIC SKILLS

- Advanced aesthetic gynecological techniques and applications.
-

CURRICULUM MODULES – THEORY

- Principles of Aesthetic Gynaecology
 - Vaginal Rejuvenation Techniques
 - Laser and Energy-Based Devices
 - Pelvic Floor Disorders and Management
 - Sexual Health and Dysfunction
 - Cosmetic Procedures of External Genitalia
 - Non-Surgical Treatments and Techniques
 - Patient Selection and Counseling
 - Safety, Ethics, and Legal Aspects
 - Advances in Aesthetic Gynaecology
-

PRACTICAL COURSEWORK

- Hands-on training in aesthetic gynecology procedures
 - Laser and device-based treatment applications
 - Vaginal rejuvenation and tightening techniques
 - Patient assessment and treatment planning
 - Counseling and post-procedure care
 - Case documentation and clinical evaluation
 - Clinical exposure in aesthetic and gynecology units
-

CAREER OUTCOMES

Graduates of the Fellowship in Aesthetic Gynaecology can pursue careers as:

- Aesthetic Gynecology Specialist
- Cosmetic Gynecology Consultant
- Women's Wellness and Sexual Health Specialist
- Clinical Practitioner in Hospitals and Aesthetic Clinics
- Academic and Research Roles in Women's Health
