

FELLOWSHIP IN ANDROLOGY & MEN'S HEALTH

ABOUT THE UNIVERSITY

Malla Reddy Vishwavidyapeeth is a reputed educational institution located in Hyderabad, Telangana, India. Recognized as a “Deemed to be University under Distinct (Existing) Category,” the university offers multidisciplinary programs across medical, dental, nursing, pharmaceutical sciences, and allied health sciences. The institution emphasizes academic excellence, clinical expertise, innovation, and global collaboration in advancing healthcare education.

PROGRAM OVERVIEW

The Fellowship in Andrology & Men's Health is a one-year advanced program designed to develop expertise in male reproductive health and urological disorders.

The program focuses on:

- Male infertility evaluation and management
- Erectile dysfunction and sexual health disorders
- Hormonal disorders and testosterone therapy
- Male reproductive surgeries and procedures
- Microsurgical techniques in andrology
- Preventive and lifestyle-based men's health care

The program integrates clinical exposure, hands-on training, and advanced diagnostic and therapeutic techniques to ensure specialization in andrology and men's health.

Department-of-Nephrology-Urolog...
(Deemed to be University)
