

FELLOWSHIP IN FORENSIC PATHOLOGY

ABOUT THE UNIVERSITY

Malla Reddy Vishwavidyapeeth is a reputed educational institution located in Hyderabad, Telangana, India. Recognized as a “Deemed to be University under Distinct (Existing) Category,” the university offers multidisciplinary programs across medical, dental, nursing, pharmaceutical sciences, and allied health sciences. The institution emphasizes academic excellence, clinical expertise, innovation, and global collaboration in advancing healthcare education.

PROGRAM OVERVIEW

The Fellowship in Forensic Pathology is a one-year intensive program designed to train healthcare professionals in the application of pathology to legal and medico-legal investigations.

The program focuses on:

- Medico-legal autopsies and postmortem examination
- Cause and manner of death determination
- Forensic toxicology and laboratory investigations
- Injury interpretation and documentation
- Crime scene correlation and evidence handling
- Legal procedures and court testimony

The program integrates laboratory training, clinical exposure, and medico-legal practices to ensure comprehensive expertise in forensic pathology.

 - CO2: Interpret forensic findings.
 - CO3: Apply toxicology and laboratory techniques.
 - CO4: Analyze injuries and evidence.
 - CO5: Integrate pathology with legal procedures.
-

PROGRAM-SPECIFIC OUTCOMES (PSOS)

1. Demonstrate expertise in forensic pathology.
 2. Apply advanced medico-legal techniques.
 3. Integrate pathology with legal and investigative processes.
-

PROGRAM DETAILS

- Certificate Awarded by: Malla Reddy Vishwavidyapeeth
 - Program Duration: One-Year Fellowship (Fellowship to be University)
 - Mode of Delivery: Laboratory + Clinical + Medico-legal Training
-

ELIGIBILITY CRITERIA

- Academic Qualification: MBBS with MD/DNB in Pathology / Forensic Medicine or equivalent
 - Professional Requirement: As per institutional norms
-

KEY FEATURES

- Advanced training in forensic pathology
 - Hands-on exposure to autopsy procedures
 - Training in forensic toxicology and evidence handling
 - Focus on medico-legal documentation and reporting
 - Evidence-based forensic practice
-

LEARNING OUTCOMES

KNOWLEDGE & UNDERSTANDING

- Comprehensive understanding of forensic pathology and medico-legal systems
-

COGNITIVE SKILLS

- Analytical decision-making in forensic investigations
-

PRACTICAL & PROFESSIONAL SKILLS

- Proficiency in autopsy and forensic techniques
 - Hands-on experience in forensic labs and mortuary
-

TRANSFERABLE SKILLS

- Legal documentation and courtroom communication
-

SUBJECT-SPECIFIC SKILLS

- Advanced forensic pathology and toxicology techniques
-

CURRICULUM MODULES – THEORY

SEMESTER 1: FUNDAMENTALS OF FORENSIC PATHOLOGY

- Basics of Forensic Medicine
 - Autopsy Techniques
 - Injury Interpretation
 - Forensic Toxicology
 - Laboratory Techniques
 - Clinical Rotations
-

SEMESTER 2: ADVANCED FORENSIC PATHOLOGY

- Cause of Death Analysis
 - Crime Scene Investigation
 - Legal Procedures
 - Documentation & Reporting
 - Case Studies
 - Research Project
-

PRACTICAL COURSEWORK

- Medico-legal autopsies
 - Injury analysis
 - Toxicology testing
 - Case documentation
 - Court case discussions
 - Research and reporting
-

CAREER OUTCOMES

Graduates can pursue careers as:

- Forensic Pathologist
- Forensic Medicine Specialist
- Medico-legal Expert
- Laboratory Specialist
- Academic and Research Professional
