

FELLOWSHIP IN GYNAEC ONCO SURGERY

ABOUT THE UNIVERSITY

Malla Reddy Vishwavidyapeeth is a reputed educational institution located in Hyderabad, Telangana, India. Recognized as a “Deemed to be University under Distinct (Existing) Category,” the university offers multidisciplinary programs across medical, dental, nursing, pharmaceutical sciences, and allied health sciences. The institution emphasizes academic excellence, clinical expertise, innovation, and global collaboration in advancing healthcare education.

PROGRAM OVERVIEW

The Fellowship in Gynaec Onco Surgery is a specialized program designed to develop expertise in the surgical management of gynecological cancers.

The program focuses on:

- Ovarian, cervical, and endometrial cancers
- Radical hysterectomy and cytoreductive surgery
- Minimally invasive and robotic gynecologic oncology procedures
- Staging and surgical oncology principles
- Multidisciplinary cancer care
- Postoperative and palliative care

The program integrates clinical exposure, hands-on surgical training, and multidisciplinary oncology care to ensure comprehensive expertise in gynecologic oncology surgery.

(Deemed to be University)

PROGRAM EDUCATIONAL OBJECTIVES (PEOS)

Graduates will be able to:

1. Perform gynecologic oncological surgeries effectively.
 2. Manage cancers of the female reproductive system.
 3. Apply minimally invasive surgical techniques.
 4. Deliver patient-centered and evidence-based care.
-

PROGRAM OUTCOMES (POS)

1. **Surgical Expertise:** Perform gynecologic oncological procedures with precision.
2. **Clinical Knowledge:** Manage ovarian, cervical, and uterine cancers.
3. **Minimally Invasive Skills:** Apply laparoscopic and robotic techniques.
4. **Patient Care:** Ensure optimal perioperative and postoperative management.
5. **Decision-Making Skills:** Handle complex oncology cases.
6. **Research Orientation:** Contribute to advancements in gynecologic oncology.

COURSE OUTCOMES (COS)

- **CO1:** Understand gynecologic oncology and surgical principles.
- **CO2:** Perform radical hysterectomy and tumor debulking surgeries.
- **CO3:** Apply minimally invasive surgical techniques.
- **CO4:** Manage complications and postoperative care.
- **CO5:** Integrate multidisciplinary cancer treatment approaches.

PROGRAM-SPECIFIC OUTCOMES (PSOS)

1. Demonstrate expertise in gynecologic oncology surgery.
2. Apply advanced surgical and minimally invasive techniques.
3. Integrate clinical and surgical oncology approaches.

PROGRAM DETAILS

- **Certificate Awarded by:** Malla Reddy Vishwavidyapeeth
- **Program Duration:** One-Year Fellowship
- **Mode of Delivery:** Clinical Training + Surgical Exposure + Theoretical Learning

(Deemed to be University)

ELIGIBILITY CRITERIA

- **Academic Qualification:** MS/DNB in Obstetrics & Gynaecology / General Surgery / M.Ch/DNB Surgical Oncology or equivalent
- **Professional Requirement:** As per institutional norms

Department-of-Oncology_compress...

KEY FEATURES

- Advanced training in gynecologic oncology surgery
- Hands-on exposure to complex cancer surgeries

- Training in minimally invasive and robotic techniques
 - Focus on multidisciplinary cancer care
 - Evidence-based surgical practice
-

LEARNING OUTCOMES

KNOWLEDGE & UNDERSTANDING

- Comprehensive understanding of gynecologic malignancies
-

COGNITIVE SKILLS

- Clinical decision-making in gynecologic oncology
-

PRACTICAL & PROFESSIONAL SKILLS

- Proficiency in gynecologic oncological surgeries
 - Hands-on experience in OT and ICU
-

TRANSFERABLE SKILLS

- Patient counseling and multidisciplinary coordination
-

SUBJECT-SPECIFIC SKILLS

- Advanced gynecologic surgical and oncological techniques
-

CURRICULUM MODULES – THEORY

- Gynecologic Oncology Basics
 - Ovarian Cancer
 - Cervical Cancer
 - Endometrial Cancer
 - Radical and Cytoreductive Surgery
 - Minimally Invasive Techniques
 - Surgical Oncology Principles
 - Postoperative Care
 - Advances in Gynecologic Oncology
-

PRACTICAL COURSEWORK

- Radical hysterectomy procedures

- Cytoreductive and tumor debulking surgeries
- Minimally invasive surgical techniques
- ICU and postoperative care
- Multidisciplinary case discussions
- Research and documentation

CAREER OUTCOMES

Graduates can pursue careers as:

- Gynecologic Onco Surgeon
- Surgical Oncologist
- Consultant in Cancer Centers
- Women's Health Oncology Specialist
- Academic and Research Professional
