

## FELLOWSHIP IN HAIR TRANSPLANTATION

---

### ABOUT THE UNIVERSITY

Malla Reddy Vishwavidyapeeth is a reputed educational institution located in Hyderabad, Telangana, India. Recognized as a “Deemed to be University under Distinct (Existing) Category,” the university offers multidisciplinary programs across medical, dental, nursing, pharmaceutical sciences, and allied health sciences. The institution emphasizes academic excellence, clinical expertise, innovation, and global collaboration in advancing healthcare education.

---

### PROGRAM OVERVIEW

The Fellowship in Hair Transplantation is a one-year advanced training program designed to equip healthcare professionals with specialized skills in surgical and non-surgical hair restoration techniques.

The program focuses on:

- Hair transplantation techniques including FUT (Follicular Unit Transplantation) and FUE (Follicular Unit Extraction)
- Hairline design and aesthetic planning
- Scalp assessment and donor area management
- Non-surgical treatments including PRP therapy and medical management
- Post-procedure care and complication management
- Advanced hair restoration technologies

The program integrates hands-on surgical training, clinical exposure, and aesthetic planning to ensure comprehensive expertise in hair transplantation.

(Deemed to be University)

---

### PROGRAM EDUCATIONAL OBJECTIVES (PEOS)

Graduates will be able to:

1. Develop expertise in hair transplantation techniques.
  2. Perform FUT and FUE procedures effectively.
  3. Design natural and aesthetic hairlines.
  4. Apply non-surgical hair restoration treatments.
  5. Manage patient care and post-procedure outcomes.
  6. Conduct research and apply evidence-based practices.
-

## PROGRAM OUTCOMES (POS)

1. **Clinical Expertise:** Perform hair transplantation procedures.
  2. **Procedural Skills:** Execute FUT and FUE techniques.
  3. **Aesthetic Skills:** Design natural hairlines.
  4. **Non-Surgical Proficiency:** Apply PRP and medical therapies.
  5. **Patient Care:** Ensure safety and optimal outcomes.
  6. **Research Orientation:** Contribute to hair restoration advancements.
- 

## COURSE OUTCOMES (COS)

- CO1: Perform hair transplantation procedures.
  - CO2: Execute FUT and FUE techniques.
  - CO3: Design aesthetic hairlines.
  - CO4: Apply non-surgical treatments.
  - CO5: Integrate clinical and aesthetic practices.
- 

## PROGRAM-SPECIFIC OUTCOMES (PSOS)

1. Demonstrate expertise in hair transplantation.
  2. Apply advanced surgical and non-surgical techniques.
  3. Integrate clinical practice with aesthetic care.
- 

## PROGRAM DETAILS

- Certificate Awarded by: Malla Reddy Vishwavidyapeeth
  - Program Duration: One-Year Fellowship (to be University)
  - Mode of Delivery: Clinical + Surgical + Theoretical + Research Training
- 

## ELIGIBILITY CRITERIA

- Academic Qualification: MBBS with MS/DNB in General Surgery / MCh/DNB in Plastic Surgery / Dermatology
  - Professional Requirement: As per institutional norms
- 

## KEY FEATURES

- Advanced training in hair transplantation
  - Hands-on exposure to FUT and FUE techniques
  - Training in PRP and medical management
  - Focus on aesthetic hairline design
  - Evidence-based hair restoration practice
- 

## LEARNING OUTCOMES

---

### KNOWLEDGE & UNDERSTANDING

- Comprehensive understanding of hair restoration techniques
- 

### COGNITIVE SKILLS

- Clinical decision-making in hair transplantation
- 

### PRACTICAL & PROFESSIONAL SKILLS

- Proficiency in surgical and non-surgical hair restoration
  - Hands-on experience in clinical settings
- 

### TRANSFERABLE SKILLS

- Patient communication and counselling
- 

### SUBJECT-SPECIFIC SKILLS

- Advanced hair transplantation and restoration techniques
- 

## CURRICULUM MODULES – THEORY

---

### SEMESTER 1: FUNDAMENTALS OF HAIR TRANSPLANTATION

- Hair Anatomy & Physiology
  - FUT Technique
  - FUE Technique
  - Scalp Assessment
  - Hairline Design
  - Clinical Rotations
- 

### SEMESTER 2: ADVANCED HAIR RESTORATION

- PRP Therapy
  - Medical Management of Hair Loss
  - Advanced Transplant Techniques
  - Complication Management
  - Case Studies
  - Research Project
- 

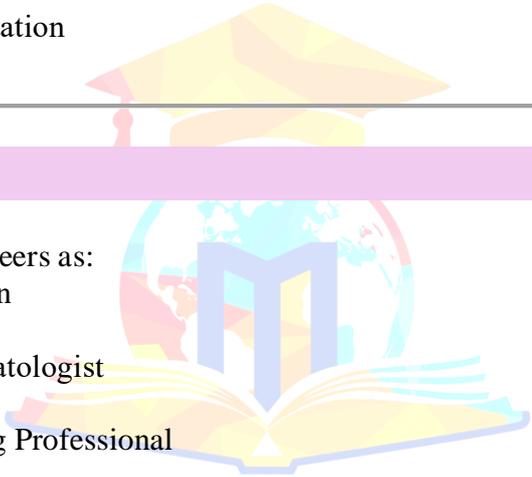

#### PRACTICAL COURSEWORK

- Hair transplantation procedures
  - PRP and non-surgical treatments
  - Clinical case management
  - Operative planning and execution
  - Case discussions
  - Research and documentation
- 

#### CAREER OUTCOMES

Graduates can pursue careers as:

- Hair Transplant Surgeon
- Aesthetic Specialist
- Plastic Surgeon / Dermatologist
- Clinical Researcher
- Academic and Teaching Professional

The logo of Malla Reddy Vishwa Vidya Peeth features a stylized yellow and orange graduation cap above a blue and white globe. In the center is a large blue letter 'M' with a white outline. Below the globe is an open book with yellow pages and a blue cover. The entire logo is set against a light blue background.
