Malla Reddy Vishwavidyapeeth (Deemed To Be University) Admission Policy

Consolidated Admission Policy applicable to all Constituent Colleges, Schools of Eminence and Programmes of Malla Reddy Vishwavidyapeeth (Deemed to be University) Academic Year 2026–27

Introduction

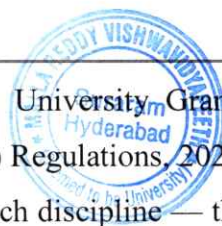

"Malla Reddy Vishwavidyapeeth" — a Deemed to be University under the Distinct (Existing) Category — is sponsored by the Chandramma Educational Society (CES), founded by Shri Malla Reddy Ch. MRV aspires to evolve into a Centre of Excellence by undertaking new initiatives, building world-class infrastructure, fostering international collaborations, introducing innovative programmes, establishing industry partnerships, hiring well-qualified globally trained faculty, and nurturing research, innovation, and outreach with a sustainable fund flow.

Spread across a 73-acre campus, MRV offers state-of-the-art academic, administrative, and amenity infrastructure. Its cosmopolitan environment attracts a diverse student population from across the globe, supported by experienced faculty with international exposure and a curriculum built around cutting-edge technologies and innovative coursework.

MRV's elevation to a Deemed to be University under the 'Distinct (Existing Institution)' category recognizes its multidisciplinary character. As a 'Distinct' Deemed University, MRV has adopted a School-based structure that fosters thematic and interdisciplinary education across nine Schools of Eminence, spanning health sciences, engineering and digital health technology, public health administration, and humanities, media, and design — moving beyond conventional single-discipline silos towards integrated learning and collaborative research. This Admission Policy accordingly sets out a common institutional framework of eligibility, entrance examinations, and procedure that applies uniformly across every discipline offered at MRV, while noting the specific pathway relevant to each.

Policy Framework, Scope, and Objectives

This Policy is framed in accordance with the applicable regulations of the University Grants Commission (UGC), including the UGC (Institutions Deemed to be Universities) Regulations, 2023, and the regulations of the Statutory Regulatory Authorities (SRAs) governing each discipline — the

National Medical Commission (NMC), the Dental Council of India (DCI), the Pharmacy Council of India (PCI), the Indian Nursing Council (INC), the National Commission for Allied and Healthcare Professions (NCAHP) and, where applicable, the All India Council for Technical Education (AICTE) — together with the directions of the Government of India, the Government of Telangana, and the Academic Regulations of MRV. It ensures fair, transparent, and merit-based admissions across the University.

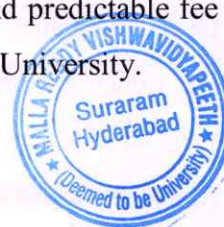

Scope

This Policy applies to all Undergraduate, Postgraduate, Super-Speciality, Integrated, Doctoral (PhD), and Fellowship programmes offered by the constituent colleges of MRV — Malla Reddy Institute of Medical Sciences (MRIMS), Malla Reddy Medical College for Women (MRMCW), Malla Reddy Institute of Dental Sciences (MRIDS), Malla Reddy Dental College for Women (MRDCW), Malla Reddy College of Nursing (MRCON), Malla Reddy Institute of Pharmaceutical Sciences (MRIPS), and Malla Reddy Technical Campus (MRTC) — and by the Schools of Eminence of MRV (SOE-MRV), as listed under Programmes Offered.

This consolidated Policy integrates and supersedes the separate admission policies hitherto followed by the constituent colleges, namely the Admission, Merit and Scholarship Policy of MRTC (B.Tech, BBA, BCA, MBA, MCA, M.Tech), the Admission Policy of MRIPS (B.Pharm, Pharm.D, Pharm.D (PB), M.Pharm, and PhD), and the Eligibility Criteria for Admission to B.Sc. (Nursing) of MRCON, and extends the common framework to the Medical and Dental constituent colleges. Programme-specific statutory and regulatory requirements are retained in the relevant sections of this Policy and its Annexures.

Objectives

- Ensure transparency, fairness, and merit in every admission made by the University.
- Comply with UGC, Statutory Regulatory Authorities (SRAs), Government, and University regulations applicable to each programme.
- Provide equal opportunity, non-discrimination, and social inclusion in access to higher education.
- Attract academically strong students and recognize excellence in entrance examinations, academics, sports, and other achievements.
- Make quality higher education financially accessible through a transparent and predictable fee and scholarship structure, while maintaining the financial sustainability of the University.

- Provide a single, uniform admission framework for the entire University, with clearly identified programme-specific entrance examination and counselling pathways.

General Admission Principles

- Admission is made on the basis of the prescribed eligibility and merit in the recognized entrance examination and/or counselling applicable to the programme. A candidate must satisfy both the academic eligibility and the entrance examination requirement of the programme.
- Where an SRA mandates admission exclusively through a specified national examination and competent-authority counselling (as in the case of **NEET and MCC Counselling** for MBBS, BDS, MD/MS, MDS, and DM), that examination and counselling alone shall govern the admission, and no admission to the mentioned programs are available by any other alternate route.
- Admission is subject to verification of original documents and to compliance with the UGC regulations in force applicable, like Anti-ragging Undertaking,,Anti Drug Undertaking .
- An admission obtained on the basis of ineligibility, false or misleading information, suppression of material facts, or non-payment of fees is liable to cancellation at any stage. For that the Candidate has to sign a Genuity Bond
- In the event of any conflict between this Policy and the regulations of an SRA, a direction of the Government, or an order of a competent court, the latter shall prevail to the extent of the conflict. Subject to this, the Central Admission Committee is the final authority on the interpretation and implementation of this Policy.

Central Admission Committee

Name	Designation	Role in Committee
Prof. Dr. Anil Kaul	Hon'ble Vice Chancellor	Chairman
Dr. Harihara Prakash Ramanathan	Registrar	Co-Chairman
Dr. P.V. Yudhistar	Finance Officer & In-charge Director Admissions	Member Secretary
Dr. Karthikeyan Ramalingam	Controller of Examinations	Member
Mr.Sitaram	Deputy Registrar	Member
Dr. B. Vamshi Krishna	Chief Accreditation Officer	Member
Dr. Venkata Ramana	Dean SAHST, assisting Overall Admissions SOE-MRV	Member

Dr. Durga Prasad	Dean SDST, Fellowship Coordinator	Member
Dr. J. Venkatesan	PhD Coordinator, SOE-MRV	Member
Mrs. Vandana M.	Chief Administrative Officer – Admissions	Member

Deans of the respective Schools of Eminence will be co-opted as members of the Central Admission Committee as applicable to the discipline under consideration.

School/College-level Admission & Scholarship Sub-Committees: For each constituent college or School, a sub-committee of the Central Admission Committee may be constituted, comprising the Dean/Principal (Chairperson), the Administrative Officer, the Accounts Officer, the Additional Controller of Examinations, the Head — Admissions, nominated senior faculty members, and any other member nominated by the Vice Chancellor. The sub-committee examines applications and documents, recommends merit cut-offs and scholarship slabs, and reports to the Central Admission Committee.

Programmes Offered (Annexure 1)

Admission Calendar

Online application through the Admission CRM is open throughout the year and is collated against the sessions below as per the applicable deadlines. Repeat appearance in the entrance examination is permitted, with the best score considered; however, the application fee is charged separately for each attempt.

Programme Category	Session	Application Window	Commencement of Classes
UG / PG (all disciplines, single annual session)	Academic Year 2026–27	1st March 2026 to 1st July 2026	1st week of August 2026 to 31st October 2026
PhD & Fellowship — Session I	1st November 2026 to 15th December 2026	—	1st January 2027 to 30th June 2027
PhD & Fellowship — Session II	1st May 2027 to 15th June 2027	—	1st July 2027 to 31st December 2027

For programmes admitted through NEET-based counselling (MBBS, BDS, MD/MS, MDS, and DM), the admission schedule, last date of admission, and commencement of classes shall follow the academic calendar and counselling schedule notified by the NMC/ NDC and the Medical Counselling Committee (MCC) for the relevant year, which shall prevail over the above schedule.

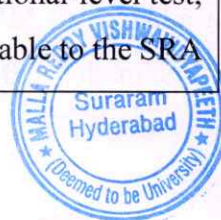

Eligibility Criteria and Entrance Examinations — By Discipline Cluster

Students must meet the minimum eligibility applicable to their chosen discipline cluster and qualify in the relevant entrance examination(s), in accordance with the norms mandated by the respective Statutory Regulatory Authority (SRA) governing that programme. No rounding-off of marks is permitted. For the current academic year, an academic gap of more than 2 years (previous two academic years) is not permitted, unless otherwise allowed under UGC norms or the regulations of the concerned SRA. Lateral entry into eligible UG programmes is permitted up to 10% of sanctioned seats, where the respective programme allows it (see Lateral Entry, Readmission, and Credit Transfer). Where an SRA prescribes a higher minimum or an additional condition, the SRA norm shall apply.

Discipline Cluster	UG Eligibility (10+2 basis)	PG Eligibility (Graduation basis)	Entrance Examinations Recognized
Medicine — MBBS, MD/MS, DM (MRIMS, MRMCW)	10+2 with Physics, Chemistry, Biology/Biotechnology and English; minimum age 17 years as on 31st December of the year of admission; qualifying percentile in NEET-UG as prescribed by NMC.	MD/MS: MBBS from an NMC-recognized institution, completion of internship by the notified cut-off date, and registration with NMC/State Medical Council. DM: MD/MS in the prescribed feeder speciality.	NEET-UG (MBBS); NEET-PG (MD/MS); NEET-SS (DM) — admission only through MCC/competent-authority counselling
Dental — BDS, MDS (MRIDS, MRDCW)	10+2 with Physics, Chemistry, Biology/Biotechnology and English; minimum age 17 years as on 31st December; qualifying percentile in NEET-UG as prescribed.	BDS from a DCI-recognized institution, completion of internship by the notified cut-off date, and registration with DCI/State Dental Council.	NEET-UG (BDS); NEET-MDS (MDS) — admission only through MCC/competent-authority counselling

Nursing — B.Sc. (Nursing) (MRCON)	10+2 with Physics, Chemistry, Biology and English; minimum 45% in PCB taken together (relaxation as prescribed by INC); NIOS/State Open School candidates eligible; age 17–35 years.	As prescribed by INC for the programme, as and when offered.	MRVCET (B.Sc. Nursing), minimum 51% (Annexure II)
Pharmacy — B.Pharm, Pharm.D, Pharm.D (PB), M.Pharm (MRIPS)	10+2 with Physics, Chemistry and Mathematics/Biology; minimum 60%, subject to PCI norms. B.Pharm lateral entry: D.Pharm from a PCI-approved institution.	M.Pharm and Pharm.D (PB): B.Pharm from a PCI-recognized institution, minimum 60% aggregate, and registration with the Pharmacy Council as prescribed by PCI.	UG: TG EAPCET; NEET-UG; MRVCET. PG: GPAT (preferred); TG PGECET; MRVCET
Engineering, Technology & Computer Applications (MRTC, SEST, and technology-oriented SDHST programmes)	B.Tech: 10+2 with Physics, Mathematics and a prescribed third subject. BCA: 10+2 with Mathematics/Computer Science/Informatics Practices or other prescribed subject. Minimum 60%.	M.Tech: B.E./B.Tech, MCA or M.Sc. (Physics/Mathematics). MCA: BCA, B.Sc. (Computer Science) or equivalent, or B.Sc./B.Com./B.A. with Mathematics at 10+2 or graduation level. M.Sc. (SEST): relevant degree. Minimum 60% aggregate.	UG: JEE Main; TG EAPCET; CUET-UG; MRVCET. PG: GATE; TG PGECET; TG ICET (MCA); MRVCET
Health Sciences — other SOE programmes (SMST, SAHST, SDHST, and	10+2 with Physics, Chemistry & Biology; minimum 70% (80% for select programmes), as notified in Annexure.	Relevant graduation in the discipline; minimum 60% aggregate.	MRVCET; NEET (UG/PG); CUET; TG EAPCET, or equivalent State/National-level test, as applicable to the SRA

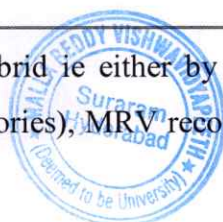

SOE programmes of SDST, SPST, SNST)			
Management & Public Health Administration (BBA, MBA, and select SPHEHT programmes)	10+2 in any stream; minimum 60%.	Any recognized Bachelor's degree of minimum three years' duration; minimum 60% aggregate.	MRVCET; CUET; CAT / MAT / CMAT / ATMA / XAT; TG ICET, as notified for the specific programme
Humanities, Media, Design & Liberal Arts (SHT, SMDT)	10+2 in any stream; minimum 60%.	Relevant graduation; minimum 60% aggregate.	MRVCET; CUET; portfolio / aptitude-based assessment and personal interview, as applicable
PhD & Fellowship (All SOE-MRV, as applicable — except SNST, SHT, SMDT for PhD)	Not applicable	Master's degree / relevant PG qualification with NET or UGC-prescribed eligibility	MRVCET; Personal Interview (final merit: 70% MRVCET score + 30% interview score); NET/JRF as per UGC PhD Regulations, 2022

Where a national/State-level entrance examination is attempted by a candidate but the qualifying cut-off is not secured, the candidate shall be required to secure qualifying marks in MRVCET to obtain admission to any programme of MRV-SOE. This provision does not apply to programmes for which the SRA mandates admission exclusively through a specified national examination and counselling (MBBS, BDS, MD/MS, MDS, and DM), where NEET qualification is compulsory and MRVCET cannot be substituted.

Recognized National and University-Level Entrance Examinations

In addition to MRVCET (MRV's own entrance test, conducted in hybrid ie either by proctored online mode / Offline mode across UG, PG, PhD, and Fellowship categories), MRV recognizes the

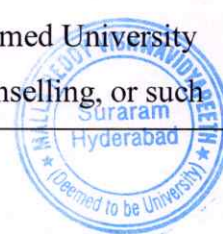

National-, State-, and University-level examinations listed below, consistent with the practice followed by other multi-disciplinary deemed universities. The recognized examinations and the competent counselling/seat-allotment authority for every programme are consolidated in the matrix below, followed by the programme-specific provisions.

Common Provisions Applicable to All Programmes

- Only valid scores of the current admission cycle, or scores within the validity period notified by the conducting agency, shall be considered.
- Qualification in a recognized entrance examination does not by itself confer eligibility; the candidate must also satisfy the academic eligibility prescribed for the programme, and vice versa.
- Where a programme recognizes more than one examination, examination-wise merit lists may be prepared and seats allotted in the order of preference notified in the programme-specific admission notification.
- The syllabus, pattern, qualifying marks, and schedule of MRVCET are published on the admissions portal; programme-specific patterns prescribed by an SRA (e.g., B.Sc. Nursing, Annexure II) shall be followed.
- The exact admission methodology, seat matrix, and schedule for each programme shall be published on the MRV website before the commencement of admissions.
- Seats that are filled through the counselling of a competent authority shall be filled only in accordance with the allotment made by that authority. The University shall not make any admission to such seats outside that counselling process.

Medical Programmes — MBBS, MD/MS, and DM (NEET-Based Admission)

Admission to the MBBS, MD/MS, and DM programmes of MRIMS and MRMCW is governed by the National Medical Commission Act, 2019, the NMC Graduate Medical Education Regulations, 2023, the NMC Post-Graduate Medical Education Regulations, 2023 (as amended), and the counselling scheme of the Medical Counselling Committee (MCC). All seats in these programmes — including the seats designated in the Programmes Offered table as SF/MQ (Deemed University seats) and NRI quota — shall be filled exclusively on the basis of NEET merit and the counselling conducted by the competent authority.

- **MBBS — Eligibility:** qualification in NEET-UG at the percentile prescribed by NMC for the relevant year (currently the 50th percentile for General, the 45th percentile for General-PwBD, and the 40th percentile for SC/ST/OBC candidates, including PwBD); a pass in 10+2 or equivalent with Physics, Chemistry, Biology/Biotechnology and English as prescribed by NMC; and a minimum age of 17 years as on 31st December of the year of admission.
- **MD/MS — Eligibility:** qualification in NEET-PG as notified by NBEMS; an MBBS degree from an NMC-recognized institution; completion of the compulsory rotating internship on or before the cut-off date notified for the year; and permanent or provisional registration with NMC or a State Medical Council.
- **DM — Eligibility:** qualification in NEET-SS and possession of the feeder broad-speciality qualification prescribed by NMC and notified in the NEET-SS Information Bulletin for the relevant year.
- **Counselling:** the MCC conducts counselling for 100% of the seats of Deemed Universities, including the NRI quota, in rounds notified for the year (such as Round 1, Round 2, Round 3, and the Stray Vacancy Round). Candidates register on the MCC portal, pay the prescribed registration fee and security deposit, exercise and lock choices, and are allotted seats on the basis of NEET rank, category, and choices.
- **Reporting and Admission:** an allotted candidate reports to the allotted MRV college within the time notified by the MCC with the allotment letter and original documents. Admission is completed on document verification and fee payment, and the joining status is updated on the MCC portal. Upgradation, resignation, and forfeiture are governed by the MCC scheme.
- **NRI Quota:** NRI seats are allotted only to candidates who satisfy the NRI eligibility and documentation prescribed by the MCC scheme; unfilled NRI seats are dealt with as provided in that scheme.

- **Fee:** the programme-wise fee is fixed by the University in accordance with applicable norms and is published on the MRV website and in the MCC counselling information before counselling. No capitation fee or donation is charged in any form.
- **Reporting to Regulator:** the particulars of admitted students are reported to NMC and the competent authority in the prescribed format and time. Any admission made after the last date notified by NMC, or outside the counselling process, is void.

Dental Programmes — BDS and MDS (NEET-Based Admission)

Admission to the BDS and MDS programmes of MRIDS and MRDCW is governed by the Dentists Act, 1948, the DCI Revised BDS Course Regulations, 2007, and the DCI MDS Course Regulations, 2017 (each as amended), and the MCC counselling scheme. All seats, including the NRI quota, are filled exclusively on the basis of NEET merit through the counselling of the competent authority.

- **BDS — Eligibility:** qualification in NEET-UG at the percentile notified for the relevant year; a pass in 10+2 or equivalent with Physics, Chemistry, Biology/Biotechnology and English; and a minimum age of 17 years as on 31st December of the year of admission.
- **MDS — Eligibility:** qualification in NEET-MDS as notified by NBEMS; a BDS degree from a DCI-recognized institution; completion of the compulsory rotating internship on or before the notified cut-off date; and registration with the State Dental Council/DCI.
- **Counselling and Admission:** the provisions on counselling, reporting, NRI quota, fee disclosure, regulator reporting, and the prohibition of admission outside counselling, set out above for Medical Programmes, apply equally to the BDS and MDS programmes, with DCI in place of NMC.

Nursing — B.Sc. (Nursing)

Admission to the B.Sc. (Nursing) programme of MRCON is governed by the regulations of the Indian Nursing Council for the programme (as amended from time to time) and the following eligibility criteria:

- **Age:** a minimum of 17 years as on 31st December of the year in which admission is sought, and a maximum of 35 years.
- **Educational Qualification:** a pass in the 12th Standard (10+2) examination with Science subjects, with a minimum of 45% marks in Physics, Chemistry, and Biology taken together, and a pass in English, which is a compulsory subject. Relaxation for reserved-category and PwBD candidates shall be as prescribed by INC.

- **Open Schooling:** candidates who have passed the qualifying examination with Science subjects and English through a State Open School recognized by the State Government or the National Institute of Open Schooling (NIOS) are also eligible.
- **Colour Vision:** colour-blind candidates are eligible, provided they use colour-corrective contact lenses and/or spectacles, as applicable.
- **Medical Fitness:** candidates shall be medically fit to pursue the programme.
- **Marital Status:** married candidates are also eligible for admission.
- **Frequency of Admission:** students are admitted once a year.
- **Selection:** on the basis of merit in the entrance examination conducted by MRV, comprising Aptitude for Nursing, Physics, Chemistry, Biology, and English (20 marks each; total 100 marks), with minimum qualifying marks of 51%, as detailed in Annexure II.

Pharmacy — B.Pharm, Pharm.D, Pharm.D (Post Baccalaureate), and M.Pharm

Admission to the Pharmacy programmes of MRIPS is governed by the Pharmacy Act, 1948, and the PCI regulations for the B.Pharm, Pharm.D, and M.Pharm programmes (each as amended), together with the University's norms.

- **B.Pharm:** 10+2 with Physics, Chemistry, and Mathematics/Biology. Admission is made through TG EAPCET, NEET-UG, or MRVCET, including the University (management) quota, on merit.
- **B.Pharm (Lateral Entry to the Third Semester):** a pass in D.Pharm from an institution approved by PCI under Section 12 of the Pharmacy Act, 1948, to the extent permitted by PCI.
- **Pharm.D:** 10+2 with Physics, Chemistry, and Mathematics/Biology. Admission is made through TG EAPCET, NEET-UG, or MRVCET, including the University (management) quota, on merit.
- **M.Pharm:** B.Pharm from a PCI-recognized institution and registration with the Pharmacy Council as required by PCI. Preference is given to GPAT-qualified candidates; admission is otherwise made through TG PGECET or MRVCET.
- **Pharm.D (Post Baccalaureate):** B.Pharm from a PCI-recognized institution and registration with the Pharmacy Council as required by PCI. Admission is made through GPAT, TG PGECET, or MRVCET.

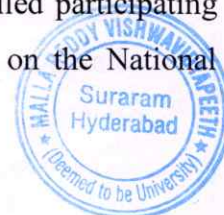

Engineering, Technology, Computer Applications, and Management — B.Tech, BBA, BCA, M.Tech, MCA, and MBA

Admission to the programmes of MRTC is governed by the applicable UGC norms and, where applicable, AICTE and other statutory requirements, together with the following:

- **B.Tech:** a pass in 10+2/Intermediate or an equivalent examination recognized by the competent authority, with the prescribed subject combination and minimum marks, ordinarily including Physics, Mathematics, and the prescribed third subject(s).
- **BBA:** a pass in 10+2/Intermediate or an equivalent examination recognized by the competent authority, with the minimum marks and other conditions prescribed.
- **BCA:** a pass in 10+2/Intermediate or an equivalent examination with the subject and minimum-mark requirements prescribed; the University may prescribe Mathematics, Computer Science, Informatics Practices, or another appropriate subject where academically appropriate and permissible.
- **MBA:** a Bachelor's degree of minimum three years' duration from a recognized University/Institution with the minimum percentage prescribed.
- **MCA:** an eligible Bachelor's degree as prescribed by applicable regulations, which may include BCA, a Bachelor's degree in Computer Science/Computer Engineering or equivalent, or B.Sc./B.Com./B.A. with Mathematics at 10+2 or graduation level.
- **M.Tech CSE / M.Tech CSE (AI & ML):** a Bachelor's degree in Engineering/Technology, MCA, or M.Sc. (Physics/Mathematics) with the minimum qualifying percentage prescribed; GATE and other recognized qualifications receive appropriate merit consideration.
- **Admission Merit — UG:** JEE Main, TG EAPCET, MRVCET, CUET-UG, qualifying examination performance, Olympiads, and recognized national-level achievements.
- **Admission Merit — PG:** GATE, CAT, XAT, CMAT, MAT, ATMA, TG PGECET/TG ICET, MRVCET, qualifying degree performance, and relevant academic/professional achievements.

Other Discipline-wise Recognized Examinations — Schools of Eminence

- **Health Sciences (Allied, Medical, and Digital Health Sciences):** MRVCET, NEET (UG/PG), or an equivalent State-level test (e.g., TG EAPCET), and CUET, as mandated by the concerned SRA (NCAHP and others, as applicable).
- **Common University-Level Entry:** CUET (UG & PG) — MRV is an enrolled participating university for CUET UG and PG for the current academic year, as listed on the National Testing Agency's website.

- **Management Programmes:** MAT, CAT, CMAT, ATMA, XAT, TG ICET, and other equivalent management aptitude tests, as notified per programme.
- **Humanities, Media & Design Programmes:** CUET, MRVCET, and/or a portfolio-based or aptitude-based assessment together with a personal interview, as applicable to the specific programme.

Doctoral (PhD) and Fellowship Programmes

- Admission to PhD programmes is through MRVCET and a personal interview, with final merit calculated as 70% MRVCET score and 30% interview score; admission to Fellowship programmes is through interview.
- Candidates qualified in UGC-NET/CSIR-NET (JRF or eligibility for PhD) or other examinations recognized under the UGC (Minimum Standards and Procedures for Award of Ph.D. Degree) Regulations, 2022, may be considered in accordance with those Regulations.
- PhD admission is offered across SOE-MRV, as applicable, except SNST, SHT, and SMDT, in two sessions each academic year, as shown in the admission schedule.

MRV's CUET participation and the corresponding list of offered UG and PG courses are published on the National Testing Agency's website and linked from the MRV admissions webpage.

Admission Process and Application

-
- Candidates apply online through the official university admission portal, mrvv.edu.in/admissions, providing valid personal and academic details.
 - Registration: the applicant creates an account on the admissions portal (CRM-based).
 - Form Submission: the applicant completes the online application with personal, academic, and contact details relevant to the chosen discipline.
 - Document Upload: scanned copies of certificates, ID proof, and a passport-size photograph are submitted online.
 - Application Fee Payment: made online through the notified payment channel.
 - Acknowledgement: a system-generated Application ID, together with the transaction ID, is issued for tracking.
 - **NEET-based Programmes:** candidates for MBBS, BDS, MD/MS, MDS, and DM must register and participate in the counselling of the competent authority (MCC). The MRV admissions portal is used only for post-allotment reporting, document verification, and fee payment.

- **State-level Examination Scores:** where admission is based on a State-level entrance examination score (TG EAPCET, TG PGECET, TG ICET), the candidate applies through the MRV admissions portal and furnishes the rank card; seats are allotted by University counselling in order of merit, unless allotment is made by a State convener under applicable Government orders.

Help Desk, Walk-in Support, and Campus Tour

- A dedicated support team assists parents and students with University, course, or programme-related queries — IT issues, administrative queries, fee payments, and academic matters.
- Campus tours cover classrooms, laboratories, the library, and sports/student facilities relevant to the discipline of interest.
- Walk-in / telecaller and counsellor support is available through the admissions department all days of the week (including Sundays and holidays) from May to August, 9:00 AM–6:00 PM, and on working days for the rest of the year, 9:00 AM–5:00 PM.
- A dedicated PhD/Fellowship Help Desk operates throughout the year on working days, 9:00 AM–5:00 PM.

Merit List, Counselling, and Selection

-
- Admission is based on the merit list of candidates qualifying through MRVCET or the equivalent recognized examination applicable to the discipline.
 - For Fellowship programmes, final merit is determined through interview; for PhD, final merit is calculated as 70% MRVCET score and 30% interview score.
 - Interviews are conducted by the Central Admission Committee or a sub-committee constituted by it, which may include discipline-specific external experts for management, humanities, media, and design programmes.
 - Programme-specific counselling for seat allotment is conducted on the request of the student, online or offline, based on the programme and mode of application.
 - Shortlisted candidates are informed via email, SMS, and university portal updates.
 - For NEET-based programmes, merit and seat allotment are determined exclusively by the counselling of the competent authority on the basis of NEET rank; the University does not prepare a separate merit list or conduct institutional counselling for these seats.
 - For B.Sc. (Nursing), the merit list is prepared on the basis of the MRV entrance examination, subject to the minimum qualifying marks of 51%.

- For M.Pharm, preference in the merit list is given to GPAT-qualified candidates.
- For Engineering, Computer Applications, and Management programmes, merit is determined in accordance with the admission methodology published before the commencement of admissions.

Reservation Policy

MRV is committed to promoting equity, social justice, and inclusive access to higher education through a transparent and fair reservation policy. Reservation shall be implemented in accordance with the applicable regulations of the Government of India, the Government of Telangana, UGC, and the concerned SRA, as applicable to the category of seat:

- **Seats filled through MCC counselling (NEET-based programmes):** reservation, if any, shall be as provided in the MCC/Government of India scheme applicable to Deemed Universities.
- **Programmes following Government of Telangana norms** (including the Pharmacy programmes of MRIPS and such other programmes as may be notified): reservation shall be as per the prevailing Government of Telangana orders, with the category-wise distribution given in Annexure III, including horizontal reservations as applicable.
- **Persons with Benchmark Disabilities:** reservation and eligibility shall be as provided under the Rights of Persons with Disabilities Act, 2016, and the regulations of the concerned SRA.
- Reservation benefits are extended only to candidates who produce valid certificates issued by the competent authority. The University reserves the right to verify all supporting documents, and any admission obtained through false or misleading information is liable for cancellation.
- The implementation of reservation, including the filling of vacant reserved seats, shall be governed by the prevailing Government rules, University regulations, and amendments issued by the competent authorities from time to time.

International Student Admissions

MRV welcomes applications from Non-Resident Indians (NRIs), Persons of Indian Origin (PIO), Overseas Citizens of India (OCI), and foreign nationals across all disciplines offered under MRV's Schools of Eminence, subject to the eligibility norms of the relevant SRA and the Ministry of Education's Study in India framework. The process is as follows:

1. Application: the candidate applies online through the international admissions section of the MRV portal, or through the Study in India (SII) portal, as applicable.

2. Document Upload: attested copies of academic transcripts, equivalence certificate (where required), passport, and other supporting documents are uploaded.
3. Acknowledgement: a system-generated application/reference number is issued for tracking.
4. Provisional Admission: issued on preliminary verification of documents and eligibility.
5. Fee Payment: remitted through the notified international payment gateway or bank transfer channel; MRV does not accept cash payments for admission-related services.
6. Confirmed Admission and Visa Documentation: on confirmation of payment, MRV issues the documentation required for the student (Provisional Admission Letter, Bonafide Certificate) to apply for the appropriate student visa/FRRO registration.
7. Pre-Enrolment and Registration: includes mandatory medical insurance and security/FRRO registration formalities, as applicable, prior to commencement of classes.

International applicants are advised to refer to the country-specific and programme-specific requirements published on the MRV website, and to complete SII portal registration where the programme requires it.

For the MBBS, BDS, MD/MS, MDS, and DM programmes, the admission of NRI, OCI, PIO, and foreign-national candidates shall be only in accordance with the NMC/DCI regulations and the MCC counselling scheme, including the NEET qualification requirement prescribed therein.

Payment of Fee, Scholarships, and Financial Support

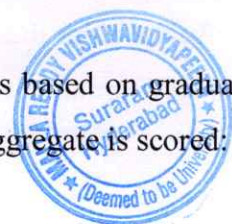

Payment of the full fee, comprising tuition fee and miscellaneous fees, must be completed before a student begins attending classes. The Admission Letter is issued only upon full payment of fees.

Merit Scholarships (Tuition Fee only; not applicable to Miscellaneous Fees)

For UG programmes (B.Sc.-type, 4/5-year duration), the 1st-year scholarship is based on 10+2 (or equivalent) marks; from the 2nd year onward, the same scholarship band continues provided the student scores a minimum 60% aggregate per year:

Marks Band in 10+2 (or equivalent)	>95%	>85% to 94.99%	>80% to 84.99%	>75% to 79.99%	>70% to 74.99%
---	----------------	------------------------------	------------------------------	------------------------------	----------------------------------

For PG programmes (M.Sc.-type, 2-year duration), the 1st-year scholarship is based on graduation marks; the same band continues into the 2nd year provided a minimum 60% aggregate is scored:

Marks Band in Graduation	>90%	>80% to 89.99%	>70% to 79.99%	>60% to 69.99%
--------------------------	------	----------------	----------------	----------------

- The first five students admitted into each of the 14 notified courses will additionally receive a 50% tuition-fee waiver in the first year, as listed in the programme-specific scholarship annexure.
- Students may also access financing support through third-party Financial Institutions integrated with MRV's payment portal, based on a direct understanding between the institution, the payment partner, and the student/parent.

Fee Concession: In addition to merit scholarships, the University may grant tuition fee concessions to students with outstanding academic performance and to students from economically weaker backgrounds, subject to eligibility criteria, document verification, and approval by the Competent Authority.

- **Merit-Based Fee Concession:** The University may grant special tuition fee concessions to students with outstanding academic performance, as per the norms approved by the University.
- **Need-Based Fee Concession:** The University may grant special tuition fee concessions to students from economically weaker backgrounds, subject to submission of valid income and other relevant documents and approval by the Competent Authority.

Programme-Specific Scholarship Schemes

The merit scholarship bands above apply to the UG and PG programmes of the Schools of Eminence and to B.Sc. (Nursing). The other constituent programmes follow the schemes below, within the Common Scholarship Provisions that follow:

- **Engineering, Technology, Computer Applications, and Management (B.Tech, BBA, BCA, M.Tech, MCA, MBA):** a Universal Admission Scholarship Scheme under which every eligible admitted student is considered for an admission scholarship — Level 1 (universal, minimum 25%) and Level 2 (merit/talent enhancement, up to 75%). The net annual tuition fee payable shall not be less than 25% of the published tuition fee and is rounded to a multiple of ₹5,000. The fee, programme-wise ceilings, beneficiary limits, and categories are given in Annexure IV.
- **Pharmacy (B.Pharm, Pharm.D, Pharm.D (PB), M.Pharm):** scholarships/fee concessions up to 30% of the applicable tuition fee, on the basis of merit, reserved category, and Economically

Weaker Section status, subject to the prescribed eligibility and availability, as given in Annexure V.

- **Medical and Dental (MBBS, BDS, MD/MS, MDS, DM):** the fee for seats allotted through MCC counselling is the fee fixed by the University and disclosed before counselling. Tuition fee concessions, if any, are granted only under the Fee Concession provisions above, with the approval of the Competent Authority.

Common Scholarship Provisions

- **Scholarship Committee:** scholarships are examined and determined by the University Admission & Scholarship Committee through the School/College-level sub-committees, which examine applications, verify documents, determine slabs, merit cut-offs and the number of beneficiaries at each level, consider special cases, review continuation, recommend withdrawal where conditions are violated, and interpret the scheme for implementation.
- **Holistic Assessment:** marks, percentages, and ranks are important inputs but not necessarily the sole determinant; the Committee may consider the complete profile of the candidate, including sports, research/technical achievements, entrepreneurship, special talent, and socio-economic circumstances.
- **Discretionary Nature:** a scholarship is an institutional incentive granted at the discretion of the University. Meeting an indicative criterion does not create a vested right to a particular scholarship; no candidate may claim a particular percentage or amount, parity with another student, a scholarship awarded in a previous year, or a scholarship based solely on an advertisement, indicative slab, or verbal assurance.
- **Single Benefit:** a student shall ordinarily receive only one institutional scholarship — the most beneficial one for which the student is eligible — unless the Committee decides otherwise.
- **Tuition Fee Only:** scholarships apply only to the tuition fee; examination, hostel, mess, transport, uniform, books, device charges, refundable deposits, and other approved charges are payable separately unless specifically stated otherwise.
- **Renewal:** a scholarship is ordinarily awarded for the first year; continuation is subject to the renewal conditions of the applicable scheme, including minimum aggregate/CGPA, satisfactory progression, attendance, and conduct.
- **Withdrawal:** a scholarship may be withdrawn or modified where false information or fraudulent documents are discovered, material facts were suppressed, eligibility or renewal conditions cease to be met, or serious disciplinary action is imposed.

- **Non-Transferable:** a scholarship is personal to the student, is not exchangeable for cash, and is not normally transferable between programmes or institutions.
- **Reservation and Scholarship:** reservation and scholarship are separate matters; a candidate admitted under a reserved category may also receive a scholarship on satisfying its conditions. Nothing in the schemes overrides mandatory statutory provisions.
- **Lateral Entry:** a separate scholarship slab may be prescribed for lateral-entry students.
- **Verification:** all claims — marks, ranks, certificates, income, sports and other achievements, and service records — are subject to verification.
- **Finality and Grievance:** the decision of the Committee on category, amount, and number of beneficiaries is ordinarily final, without prejudice to any statutory right of the student or recourse to the Student Grievance Redressal mechanism.
- **Annual Review:** scholarship slabs are reviewed annually in the light of admission trends, financial sustainability, regulatory requirements, and available budget; changes apply prospectively unless otherwise required by law.

Lateral Entry, Readmission, and Credit Transfer

- **Lateral Entry:** permitted into eligible UG programmes across disciplines — including engineering/technology, allied health, and other notified programmes — up to 10% of sanctioned seats, subject to availability and the eligibility conditions of the respective programme and SRA.
- **Readmission:** a former MRV student who discontinued studies may apply for readmission; approval rests with the Head of the concerned School/Department, subject to seat availability and applicable academic norms.
- **Credit Transfer:** a student transferring from another recognized university must submit an official transcript from the university previously attended; acceptance of credits is subject to MRV's academic regulations and equivalence assessment by the concerned School.
- **Pharmacy:** D.Pharm holders from institutions approved by PCI under Section 12 of the Pharmacy Act, 1948, are admitted to the third semester of B.Pharm, to the extent permitted by PCI.
- **Engineering:** eligible Diploma holders, and other candidates permitted under the applicable regulatory framework, are admitted to the second year of B.Tech in accordance with University rules.

- **Not Applicable:** lateral entry is not available to MBBS, BDS, B.Sc. (Nursing), or PG Medical/Dental programmes. Migration/transfer of students in MBBS and BDS is permissible only as provided in the NMC/DCI regulations.

Provisional and Final Admission Letter

- Candidates confirm their offer by paying the admission fee.
- Selected candidates receive a Provisional Admission Letter at the time of certificate submission, followed by the Final Admission Letter upon validation of original documents; the originals are returned to the student on closure of the admission window.
- In accordance with UGC's notifications, MRV does not retain original certificates beyond the verification process.
- A temporary Admit Card is issued by the Admissions Team on completion of the admission process and fee payment, following scrutiny of documents.
- An admission is liable to cancellation at any stage if the candidate is found ineligible, or has furnished false information or documents, suppressed material facts, or failed to pay the prescribed fees.
- For NEET-based programmes, the joining status is updated on the MCC portal within the notified schedule; a candidate who fails to report within the stipulated time forfeits the seat as provided in the MCC scheme.

Refund and Withdrawal Policy

An admission withdrawal request placed at any time during the programme, after the 30-day window from the last date of admission/closure of admissions, shall be governed by the UGC Fee Refund Policy (Notice D.O. No. F.12-5/2024 (FNT/NET)-Fee Nivaran dated 27th October 2025). Any such permitted withdrawal shall require payment of the entire remaining tuition fee for the rest of the programme duration from the date of the withdrawal request, with no return of fees already paid. The current fee refund policy is published on the MRV website.

- Requests for cancellation of admission must be submitted only through the notified online mode; requests by email, post, or letter are not entertained, consistent with the practice followed at other deemed universities.
- Refunds, where applicable, are processed only by electronic transfer (RTGS/NEFT) to the bank account/cancelled cheque details submitted by the candidate; MRV is not responsible for any error in account details furnished by the candidate.

- The date of online submission of the cancellation/withdrawal request is treated as the formal date of withdrawal for computing any applicable refund.
- For seats allotted through MCC counselling, the forfeiture of the security deposit and the consequences of resignation or non-joining are governed by the MCC scheme; the refund of University fees is governed by this Policy and any directions of NMC/DCI/MCC.

Public Advisory — Admissions Only Through Official Channels

The official MRV admissions portal, mrvv.edu.in/admissions, and the notified official email IDs are the only recognized channels for admission-related communication. MRV has not authorized any consultant, agency, or individual agent — directly or indirectly — to admit candidates on its behalf, or to collect payment on its behalf outside the official payment gateway.

- Admissions to all programmes are made strictly on merit through the Central Admission Committee; the Admissions Department is the only nodal office for all admissions.
- MRV does not accept cash transactions for any admission-related service.
- Applicants and parents are cautioned against approaching unofficial intermediaries or deceptively similar websites; any such approach, or any cash transaction outside official channels, is undertaken entirely at the individual's own risk.
- Any instance of a fraudulent website, agent, or demand for cash promising admission to MRV should be reported immediately to the Admissions Department so that appropriate action, including legal action, may be taken.
- No admission is made to the MBBS, BDS, MD/MS, MDS, or DM programmes outside the NEET-based counselling of the competent authority. Any offer of a “direct”, “management”, or “donation” seat in these programmes is fraudulent. MRV does not charge capitation fee or donation in any form.

Anti-Ragging

- MRV follows a zero-tolerance policy towards ragging, in accordance with the UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009 (as amended), the NMC (Prevention and Prohibition of Ragging in Medical Colleges and Institutions) Regulations, 2021, and the directions of the other SRAs.
- Online anti-ragging undertakings by the student and the parent/guardian are mandatory before the commencement of classes.

- Anti-Ragging Committees and Squads function at the University and constituent-college levels; any act of ragging attracts disciplinary action, including cancellation of admission, as provided in the regulations.

Orientation, Student Kit, and Commencement of Classes

- Orientation Programme — Deeksharambham: 2nd week of August 2026.
- Commencement of Classes: 1st week of August 2026 (Deeksharambh, as per UGC notification), tentatively extending into the 3rd week of August 2026.
- Student Kit: bag, Provisional Admission Letter, student handbook, record/log book, ID card and uniform (with size chart), as applicable to the programme/discipline.
- For MBBS, the Foundation Course prescribed by NMC is conducted at the commencement of the programme; for other SRA-regulated programmes, induction is conducted as prescribed by the concerned SRA.

Hostel and Transport Facilities

- Private accommodation at competitive cost is facilitated for women students for Academic Year 2026–27, subject to availability; fee particulars are available with the Admissions Department.
- Bus transport is available on select routes at ₹55,000/- per year, valid from 31st July 2026 to 30th July 2027; route details are available with the Admissions Department.
- State transport bus-pass facility for MRV-SOE students is not currently enabled; this will be communicated once available.

Grievance Redressal

- Grievances relating to admission, fee, or scholarship may be submitted to the Admissions Department through the official channels.
- Grievances not resolved at that level may be taken to the Student Grievance Redressal Committee and the Ombudsperson in accordance with the UGC (Redress of Grievances of Students) Regulations, 2023.

Policy Review and Supersession

- This Policy shall be reviewed periodically to align it with amendments issued by UGC, NMC, DCI, PCI, INC, NCAHP, AICTE, the Government of India, the Government of Telangana, and MRV. Changes shall apply prospectively unless otherwise required by law.
- This Policy supersedes the separate admission policies of MRTC, MRIPS, and MRCON referred to under Scope. The programme-wise fee, scholarship, reservation, and schedule particulars in the Annexures may be updated annually with the approval of the Competent Authority without amending the main Policy.
- The regulatory reference framework of this Policy is given in Annexure VII.

This Admission Policy applies uniformly across every constituent college, School of Eminence, and discipline of Malla Reddy Vishwavidyapeeth. The University reserves its right to modify, amend, or replace this Policy, including its annexures, at any time. MRV reserves its rights to modify, amend, or replace this Policy, including withdrawal, at any time.
