Office of International Affairs (OIA)

Malla Reddy Vishwavidyapeeth (Deemed to be University), Hyderabad, Telangana

About the Office

The Office of International Affairs (OIA) of Malla Reddy Vishwavidyapeeth (MRV) coordinates the University's international academic activities, research collaborations, institutional partnerships, and international student and faculty mobility. The Office functions under the guidance of the Vice-Chancellor and the International Affairs Committee (IAC), in accordance with the University's Policy, the National Education Policy (NEP) 2020, and applicable University Grants Commission (UGC) regulations and guidelines.

The OIA serves as the central coordinating office for international engagement across the University's Schools of Eminence, constituent units, and academic departments. It facilitates communication and coordination with foreign Higher Educational Institutions (HEIs), research organisations, and relevant national and international authorities.

Objectives

The main objectives of the Office of International Affairs are to:

1. Establish and strengthen academic and research partnerships with recognised foreign universities and institutions.
2. Promote international academic exchange and mobility opportunities for students and faculty members.
3. Facilitate international student admissions and provide coordination for orientation, academic integration, and student support.
4. Encourage collaborative research, joint publications, seminars, conferences, and academic knowledge exchange.
5. Support internationalisation of curricula, virtual academic interactions, and intercultural learning.
6. Promote international alumni engagement and professional networking.
7. Ensure compliance with applicable regulatory requirements relating to international collaborations and international students.

Key Functions

The OIA coordinates the initiation, processing, monitoring, and maintenance of Memoranda of Understanding (MoUs) and other international collaboration agreements, following the University's prescribed approval procedures.

The Office facilitates student exchange, faculty mobility, visiting faculty engagements, research visits, joint research projects, academic seminars, conferences, and other approved international

activities. It also coordinates with the Directorate of Research and concerned academic departments to explore opportunities for collaborative research and international academic engagement.

The OIA supports international student admissions through the Study in India portal and coordinates with the Admissions Office and other concerned departments regarding document verification, admission formalities, student orientation, welfare, and applicable immigration requirements.

The Office also promotes international alumni connections, virtual academic exchanges, collaborative online learning, guest lectures, and other initiatives that strengthen the University's global academic outlook.

International Collaborations and Programmes

MRV seeks to develop mutually beneficial partnerships with recognised foreign HEIs and research institutions to promote academic excellence, research, innovation, and international exposure. Details of verified and approved collaborations will be published on this webpage as appropriate.

MRV is not currently offering Twinning, Joint Degree, or Dual Degree programmes. Any future proposal will be considered subject to applicable eligibility requirements, University approvals, and regulatory provisions.
