MRV SCHOLARSHIP POLICY

MRV SCHOLARSHIP POLICY

Consolidated Policy on Merit Scholarships, Need-Based Scholarships, Free-ships and Fee Concessions for all Constituent Colleges, Schools of Eminence and Programmes.

1. Title and Commencement

This Policy shall be called the **"MRV Scholarship Policy"**. It shall come into force from Academic Year 2026–27, on approval by the 8thExecutive Council Meeting, and shall apply to all students admitted to Malla Reddy Vishwavidyapeeth (MRV) in that year and thereafter. Students admitted earlier shall continue under the which their scholarship was sanctioned, unless the present Policy is more beneficial to them.

2. Preamble

Malla Reddy Vishwavidyapeeth, a Deemed to be University under the Distinct Category sponsored by the Chandramma Educational Society, offers programmes in Medicine, Dentistry, Nursing, Pharmacy, Engineering and Technology, Allied and Healthcare Sciences, Digital Health, Management, Humanities, Media and Design through its constituent colleges and Schools of Eminence. The University is committed to ensuring that no meritorious student is kept away from quality higher education for want of means, and that excellence is recognised and rewarded throughout a student's academic life.

Scholarship practices have so far been programme-specific and have differed across the constituent colleges. This Policy consolidates them into one University-level framework, benchmarked against the practices of reputed universities — in particular Manipal Academy of Higher Education (MAHE) for NEET-based medical and dental scholarships, KL Deemed to be University for rank- and marks-banded engineering and pharmacy scholarships, and Symbiosis International (Deemed University) for policy governance, need-based and sports scholarships. The benchmarks have been adapted, and not copied, to suit MRV's programmes, fee structures and financial capacity.

3. Purpose

The purpose of this Policy is to establish a single, transparent, merit-based and financially sustainable scholarship system for the entire University, with clearly defined eligibility, slabs, duration, renewal conditions, Standard Operating Procedures (SOPs), governance and audit, so that every award made by MRV can be justified, verified and reported.

4. Objectives Scope and Applicability

- Attract meritorious students to every discipline of the University, with academic merit and entrance-examination performance as the primary basis of admission-linked scholarships.
- Reward sustained academic excellence during the programme through continuation and achiever scholarships.
- Support students from economically weaker and socially disadvantaged backgrounds, and those facing family adversity, through need-based and special-category scholarships.
- Maintain the financial sustainability of the University through an approved annual scholarship budget and defined ceilings.
- Generate reliable records for statutory reporting, NAAC, NIRF, UGC and other quality assurance requirements.
- This Policy applies to all Constituent Units and Schools of Eminences of MRV.
- a sanction order.
